Public Health Lorry M.D.X.818 had to be got ready for half yearly brake inspection. It had to be repaired. The cost of repairs was estimated to be Rs 300/-. Quotations were called for fro various companies. The quotation of Messrs Rao & Rao for Rs 122/ was the lowest. The contract committee in Resolution No.4 dated the 9th July 1948 accepted this quotation. Orders were placed for the repairs to the extent of Rs 122/- with Rao & Rao for the repairs of this lorry. After dismantling the lorry, Messrs Rao & Rao have sent further estimates under dated 5-8-'48 and 6-8-'48 for Rs 188-12-6 and Rs 288-6-0 plus sale tax at Rs 0-0-3p per rupee for spare parts and extra repairs to this lorry. The total cost would now be Rs 606/-. The spare parts required and the cost of extra repairs could not be estimated until the lorry and engine were opened. The council was requested to sanction this estimate it was also requested to resolve to address Government to waive tenders. The council has in its resolution No.34 dated 25-9-'48 sanctioned the expenditure and resolved to address Government to waive tenders in this case. Copy of the resolution is enclosed I therefore request that the Government may be pleased to waive the tenders in this case.
